

Motor Carrier In-Person Services On Line and In Person by Appointment

TRUCKING ADVISORY: Motor carriers must schedule in-person services by appointment, encouraged to use Trucking Online

March 19, 2020

SALEM – In response to the current public health emergency and in effort to slow the spread of the COVID-19, the Oregon Department of Transportation Commerce and Compliance Division will handle in-person transactions through appointment only.

To schedule an appointment for motor carrier services at our Salem headquarters, call (503) 378-6699.

To schedule an appointment for motor carrier services at our Portland Bridge office, call (971) 673-5900.

Appointment guidelines/rules:

- Motor carrier services appointments are scheduled for one hour.
- When you call to schedule an appointment, our registration analysts will need your name, account number, contact information and the reason for appointment.
- Only one person is allowed for each appointment. If an additional person must be present (for example, an interpreter), you must inform our registration analysts when scheduling the appointment.

If you schedule an appointment with CCD

Our staff are taking additional precautions with cleaning protocols and sanitation of employee/customer high-contact areas. However, if you or your employees are sick, please conduct business online or via phone at the number above.

As the Governor and CDC have advised, individuals who are sick or are displaying symptoms should stay home to help slow the spread of the virus and protect those who are at highest risk for contracting it (individuals over 60 years old or who have underlying health conditions).
